

Level 2 Marketing School

October 22-23, 2010 Guymon, Oklahoma

Cornerstone Cattle Marketing Level 2 Schools are two day seminars for livestock producers who have previously attended a Level 1 school taught by Ann Barnhardt, either in person or on DVD. Absolutely no exceptions.

Just some of the concepts covered at Cornerstone Cattle Marketing Level 2 Schools include:

- Snapshot real-time value spectrum charting
- Advanced forward delivery contract concepts
- Advanced Squash concepts
- Cost calculation methodologies
- Advanced applied trading concepts and scenarios
- Common pitfalls
- Custom topics and open discussion

These topics will cover approx. 1.5 days of classroom time with Ann Barnhardt

One half day will be dedicated to Dr. Tom Noffsinger, DVM. Dr. Tom will discuss applied low-stress husbandry methods and techniques for the serious CCM marketer.

Topics will include low-stress receiving, early diagnosis and prevention of illness, handling of high-risk cattle, facilities organization, and custom discussion topics from the attendees. Dr. Tom's gentle

yet straightforward manner has made him one of the most highly sought-after husbandry consultants in the cattle industry today. Don't miss this AMAZING two days of learning.

Tuition: \$500 per person
